Rental Differential Negotiation: If the tenant's rental rate exceeds the maximum affordable rent for the applicable unit size, then the following options must be completed and documented:

- Landlord must demonstrate to the City that the contract rental amount is necessary to pay all costs associated with renting the property; and
- Landlord and tenant must come to an agreement on how much of the rental differential the landlord will discount or the tenant will pay prior to the City disbursing funds.
- Grant funds will be disbursed directly to the Landlord
