- Contributing to team building in the Immigrant Rights Program and Centro Legal, participating in team-wide activities and developing positive working relationships;
• In collaboration with the Directing Attorney and other Managing Attorneys, participating in local, regional, and national coalition and working with partners on policy initiatives, advocacy and litigation efforts, as needed; as well as assisting in identifying potential federal litigation cases arising from direct services work and assisting in impact litigation efforts in federal district and circuit courts for placement with pro bono attorney or other non-profit litigation partners;
• Supporting the Immigrants’ Rights Program Directing Attorney in identifying appropriate case stories and providing legal expertise for use in reports, advocacy efforts, as well as communications work, such as interviews with the media regarding changing immigration law and policy topics; and

About Centro Legal de la Raza and the Immigrants’ Rights Team
Since 1969, Centro Legal has worked to protect and advance the rights of low-income, immigrant, Black, and Latinx communities through bilingual legal representation, education, and advocacy. We combine quality legal services with know-your-rights education, affirmative litigation, and youth development, to ensure access to justice for thousands of individuals and families each year throughout Northern and Central California. Our legal practices take on challenging cases and fight for our clients passionately, with the hope that everyone feels heard and represented in the midst of our turbulent justice system.

Centro Legal’s Immigrants’ Rights Team believes in building people power and creating long-lasting sustainable change by standing in solidarity with our clients, centering their voices and their stories, and advocating for systemic change to fix a broken immigration system. We simultaneously seek to realize this vision internally by building a legal team whose practices reflect the organization’s values of empowerment, inclusion, integrity, compassion and justice.

Centro’s immigration practice includes comprehensive, full-service direct representation before the U.S. Citizenship and Immigration Services and the immigration courts, as well as in district court and the Ninth Circuit federal court of appeals. Centro also participates in impact litigation efforts, legal rights
education, and local and national advocacy. We focus on serving the needs of our most vulnerable community members, including families living in poverty, long residing undocumented immigrants and families, youth, LGBTQ immigrants, victims of violent crimes, asylum seekers, and detained individuals in removal proceedings. Our services range from detained and non-detained removal defense, cases involving the intersection of immigration and criminal law, asylum and other humanitarian relief, as well as family-based immigration and naturalization.
